Call to Order-2:00 PM

The Selectmen will meet to view the Tribe's model of Route 2 Highway changes approved by ConnDOT and appealed by the North Stonington Selectmen.

Selectmen Mullane and Hescock traveled (1:45 PM) to the Pequot Museum arriving at 2:00 PM. The MPTN representatives made available the model of Route 2 Highway modifications. The model did not represent the latest design configuration nor did it show that intersections in North Stonington of Milltown/Wintechog/Route 2, Town Engineer, Patrick Lafayette, also attended. Selectman Peterson had viewed the model earlier that day. Selectmen Mullane and Hescock left museum at 2:45 PM and arrived at the North Stonington Town Hall at 3:00 PM
