Facts About North Stonington:

Close to I-95 and bordered by Rhode Island, North Stonington enjoys easy access to New England and the Mid-Atlantic States. As a major tourist destination, the region offers over 4,000 hotel rooms backed by up several convention facilities.

Our proximity on I-95, Amtrak railroad, airports and ferry allow people from all over the world to easily plan a visit to nearby Mystic Seaport, Mystic Aquarium, sandy ocean beaches, live regional theater, art museums and recreational attractions. Cultural events and outdoor activities abound all year around.
