HEWITT FARM COMMITTEE**

SPECIAL MEETING MINUTES

**Monday, April 5, 2012 at 5:00 p.m
Hewitt Farm Property**

A Special Meeting of the Board of Selectmen and the Hewitt Farm Committee was held on April 5th at 5:00 PM to tour the Greene Gables house and grounds with Building Official Lou DiCesare and Consultant Tim York. BOS members present were Nick Mullane and Mark Donahue. Hewitt Farm Committee attendees were Dick Cooper, Nita Kincaid, Ellie Banker and Ed Harasimowitz. Mary Cooper was also present.

The condition of the interior and exterior of the building was discussed in detail with emphasis on environmental problems and the general condition of the structure. It was suggested at the end of the visit that the site should be secured to notify visitors to remain outside the immediate area. It was also noted that a logical next step would be to hire a qualified environmental safety firm to complete an environmental analysis of the building and the site.

Respectfully Submitted.
