

Town of
North Stonington, Connecticut

Date: June 3, 2016

To: Norma Holliday, Town Clerk

From: Shawn P. Murphy, First Selectman

In accordance with the resolution that was passed at referendum on May 16, 2016, the Selectmen, appointed members of the Ad Hoc School Building Committee that were willing to continue to serve along with several new members to the newly formed School Modernization Project Committee. The Ad Hoc Committee had finished their duties when to concept design and estimates for the project cost were completed and approved by the voters.

This new Committee will now work with the Selectmen on the project through design and to its completion and will be filing regular meeting agendas and minutes with your office.

Thank you for your attention.
