

A meeting will be held at the North Stonington, CT. New Town Hall [Conference Room] on December 29, 2005. The meeting begins at 6:00 p.m.

The purpose of this meeting will be to discuss the current values and the value trends of real estate in the town. This will give insight into how the new assessments were arrived at.

Hearings on individually owned parcels would be held by appointment to protect the privacy of the owners. The time frame will be the second week in January after you receive your new assessments by mail.

After property owners receive their assessments, please be aware that the mill rate will change and property owners should not use the current mill rate to estimate what their new taxes on real estate will be.

If you have any questions, you may call the assessor's office after you meet with a representative of Vision Appraisal. The telephone number of the assessor's office is 535-2877 x 24 or 23. The email address is [ddelgrosso@town-northstonington.com](mailto:ddelgrosso@town-northstonington.com)
