Minutes:

1. Call to order: (7:03pm) Mike Anderson, Chairman; Dan Smith, Vice-Chairman; Carl Johnston, Gary Annino, Amy Friend seated for Lou Gingerella, and Winona Berdine; Not present: Sarah Nelson. First Selectman Robert Carlson, Selectman Brett Mastroianni, and Selectman Nicole Porter were also present for the Board of Selectmen. Laura Brown, new Administrative and Finance Officer was present.
2. Public Comments: None
3. Correspondence: Town Treasurer Shawn Murphy and First Selectman Robert Carlson re: Library Renovation
4. 2024-2025 Budget Presentations:
 - a. Registrar of Voters: Registrars Connie Berardi and Emily Lewis presented. The addition of early voting by the State of Connecticut requires additional hours for the registrars and an added cost to payroll. Registrars are hoping to just be paid for the hours that they are required to work during various elections and referendums.

7:26 Winona Berdine for Sarah Nelson

b. North Stonington Ambulance Association: North Stoning Ambulance Association Captain, Logan Taylor presented. The budget requests the \$150,000 in capital for a new ambulance in addition to basic operating expenses. In 2023, there were 822 total calls, with 386 of those calls going to the Stonington Institute. The NSAA provided mutual aid to Groton, Westerly, Old Mystic and Foxwoods. There was no lapse in coverage for 24 months from a force that includes 5 volunteers. Public outreach includes a SAFE program for seniors; File of Life Program; Vitals Clinic at the senior center; Public Safety Program with the schools; List of residents requiring medical equipment to survive; and Wheeler High School stand-by for sporting events.

c. Wheeler Library: Presenting for Wheeler Library was Amy Kennedy, Director of Wheeler Library. The presentation began with a brief history of the Wheeler Library. While the Wheeler Library has a generous endowment fund, only 4% of the endowment (1.6mil) can be used for the annual operating budget. The budget request is \$100,000 from the town.

d. Parks & Recreation Department: James Holdridge, Chairman of the North Stonington Recreation Commission and Director Tom Fabian were there to present. Program expenses have gone down overall, but impacts are building increases that have gone up over \$2,500 and the minimum wage increases for the camp staff. Camp registration fees have been raised to offset the increased salary costs, as well as, the dropping of one counselor.

5. Discussion of Wheeler Library Renovation Financing: Selectman Carlson requested guidance from the Board of Finance for direction in regards to any guidelines and a timeline if the town were to move ahead with any renovation financing. Discussion.
6. Review of Minutes: Tabled
7. Public Comments: Heard
