First Selectman Mike Uργο and Selectman Nita Kincaid attended the Hewitt Farm Committee with Christine Dias, Administration & Finance Officer and Karcher Deshefy, Animal Control Officer, to discuss the possible use of the Cabin Area for a future animal shelter. First Selectman Uργο and Karcher Deshefy provided an update on the closing of the pound at the Transfer Station, the agreement with Stonington for a temporary solution, and the need for a more permanent solution within North Stonington. The Hewitt Farm Committee requested information be provided regarding state guidelines for animal shelter facilities before any action be taken.

Respectfully submitted,
Christine Dias
