

Minutes of the North Stonington Cemetery Commission
November 18, 2021

A Special meeting of the North Stonington Cemetery Commission was held at the N.S. Grange Pavilion at 2PM on Nov. 18, 2021. Members present were David Fede, Geoff Barnes, Paul Ames and Diane Preston. Also present was Rachel White, who has shown great interest and knowledge in the Town's historical cemeteries.

The Minutes of our previous meeting were reviewed.

The topics discussed included the order and purchase of signs for the cemeteries by David Fede. He brought an example so that we might see the product. Over forty have, so far, been ordered, produced and erected. More are to follow.

The tour by Preservation Connecticut, Rediscovering History, and our Committee, of the Brown-Randall Cemetery was also discussed. This event is scheduled for Nov.21, 2021, weather permitting. Work has proceeded through out the summer and fall on this burial ground's restoration.

Mr. Fede, as our Treasurer, gave the financial report. We then talked about which cemetery would be our next restoration . We agreed that the gate at Ayers should be addressed as soon as possible. York, Hale # 18, is possibly the next project for the volunteer group Rediscovering History. Holmes # 37 is also in consideration.

Flags for next Memorial Day are already in hand.

The meeting was adjourned at 3:30 PM.
