Commissioners-

Perhaps we should have gone ahead and mark the trails, but as of now we will not meet at the site and I'll have to withdraw my "Special Meeting" agenda.

Hi Bill,

I spoke with Mike this morning and he suggested that we still hold off on marking trails on the property. We will give another update once we have more information.

Mike-

Our CC is planning to blaze the old existing trails on the Wintechog property for hiking. To avoid those existing trails that may pass through where the solar company plans to develop, we need to know their location.

Do you yet have a map of where they plan to locate?

~Bill
