Minutes of June Meeting: Accepted as written

Old Business:

- Status of Fire Fly Farm LLC monitoring
 - We are in the 2nd year of work to change the ruling. Two new attorneys (one representing Firefly Farm LLC and the other representing a neighboring property) are now in the loop after not originally being included. The attorney general's office is supportive.
- Update of CE monitoring
 - Perkins property on Anna Farms West needs to be physically monitored as activity has been noted via Google Maps.
- Status of joint meeting with BOS as suggested by Selectman Mastroianni
 - First Selectman suggests a September meeting.
- Recap of Wild & Scenic River Festival hike on June 26th
 - A hike on Hewett Farm from the pavilion up to Tipping Rock was led by the Conservation Commission. There were approximately 12 hikers.
- 2023 POCD: Development of Conservation & Recreation chapter
 - Several parcels throughout town were proposed to be further discussed for inclusion in the 2023 POCD.
- Bike trail mapping
 - This work is ongoing. Two additional trails submitted by Will Welborn to be considered.

Note: The Conservation Commission does not meet in August.

New Business: none
