The mission of Wheeler High School *is to provide students with the education that will best help them live a life of accomplishment and satisfaction in a complex and changing world, in partnership with families and community.* The mission of the Distinguished Alumni Program is to recognize and honor those Alumni of Wheeler High School who have put themselves forward as the paradigm of this ideal. We want to formally recognize Wheeler High School graduates who, later in life, have made significant achievements through their career, athletics, the arts, or who have given back to the North Stonington School System.
