TOWN:

Board and Company minutes accepted as read online

Bills;

13,959.31

Chief's Report:

Last month's statistics

Truck maintenance is on going, Engine 1 has broken motor mount and turbo bracket; will be taken to Hartford to get fixed, 16 is back with new tires, has a tendency to sway a little at higher speeds, should do better after reaches 3000 miles

Joint cleaning policy was signed by NSA and NSVFC will be posted

New Business:

Two addendums from the town;

Town will provide a snow blower to clean the sidewalks and in front of the bays where town truck can't reach, delay till special meeting

Town wants to sublet the halls to people and make a little extra money
