

Town of North Stonington
School Building Repurposing Committee Special Meeting
May 26, 2020 by Zoom

The meeting was called to order by the Chair, Toulia Balestracci, at 8:02 pm, in order to address the agenda items tabled at the last abbreviated meeting on May 18. In attendance were T. Balestracci, G. Annino, E. Boissevain and DJ Noyes. Walter Mathwich and Marietta Anderson had notified the Chair of work related conflicts. There were no members of the public present.

There were no Public Comments.

The minutes of the May 4 Regular Meeting were accepted.

Discussion continued from previous meetings regarding the MS/HS Maintenance costs and capital costs. It is obvious that it has always been difficult for relevant committees to identify the correct numbers for just these buildings. It was noted that the BOF and BOE are extremely busy at this time with the budget process. Therefore, in order to move forward with our objective, we will use the numbers we have, indicating that they are not confirmed amounts at this time.

The Chair reported that the First Selectman informed her that the Troopers would be moved into the middle section of the complex in addition to it becoming a polling site as we learned earlier in May.

The committee worked with the Scorecard and the List of Potential Uses. That work will continue into June.

The Chair and G. Annino both indicated that there should be one cohesive report to be presented to the BOS in August. Future meeting dates and times were reviewed as well as committee member attendance.

The next meeting will be June 1, 2020 at 8pm to accommodate the Town budget hearing.

Motion was made by G. Annino, seconded by E. Boissevain to adjourn at 9:05 pm.

Respectfully Submitted by E. Boissevain, Sec'y.
