Fw: Conservation Commission-meeting for March-Cancelled

Hi Jim,

Please post the information below on the Town web site as a cancellation notice for the March 26, 2020 Conservation Commission meeting.

Thank you,

Antoinette

Subject: Fwd: Fw: meetings for March

Commissioners-
As all non essential meetings are advised to not meet through March and as the Town Hall is also closed to physical entry (available to phone calls), we will cancel our March 26th meeting. We may still do field work: monitoring, CE sign placement, cutting of trees in Hewitt Farm (maybe). Be safe. Next meeting scheduled for April 23 - maybe.
~Bill

Subject: Fw: meetings for March
this email is being sent to all board and commission chairs and others leaders charged with public meetings

Hello Board chairs and fellow community leaders,

As you may or may not be aware, the Governor has passed Executive orders allowing for virtual meetings to take place with certain stipulations which include public remote access among other things. At this time, I have advised non-essential meetings to be postponed through the end of March. If you are a commission who feels you have essential business to take care of please reach out to me so that we can discuss this in advance. If we find you still do need to meet we will need to arrange for the technology to make this happen. At this time I have arranged for technology for the upcoming Board of Education, Finance, & Selectmen meetings.

The situation with COVID-19 continues to be fluid with changes happening hourly. At this time the BOS, BOE, & BOF should plan to meet at their scheduled times. If you have a board or commission member who is sick or has someone in their family who is sick they should not attend. They may conference in if necessary and let the minutes reflect this. Please send this email to your Board prior to any meeting that is upcoming.

Please let me know if you have any questions.
Thank you for all that you do,
Mike Urgo
First Selectman

Coronavirus Update
Governor Issues Executive Order No. 7B

Governor Ned Lamont issued an update on Connecticut's efforts to respond to the Coronavirus. The update can be downloaded here .

In addition, the governor issued his third executive order to address various issues stemming from these events, which includes provisions suspending certain in-person open meeting requirements.

Specifically, the order modifies statutes regarding state and local government meetings that are required to permit members of the public to attend in-person and authorizes those meetings to be held remotely by conference call or videoconference, provided that the public is provided remote access to view or listen to the meetings and access materials for the meetings.

Note: Issues relating to towns with Town Meeting forms of government will be addressed in a future Executive Order.

Download the Executive Order here.
