Selectmen Update/Comments

-Four speed humps were installed in the Village. There will be a meeting in March 2023 to discuss whether to take them out or add more.

Billings Lake Update/Reports

-Britt Tella stated that cars can squeeze in between the rocks that have been put up. Trailers have to back out of the parking area. Maybe add more rocks.

-One resident drives recklessly on Billings Lake Rd. and throughout town. Bob Carlson stated that he could send a letter to the resident. Troopers McCarthy and Glaude will talk to the resident.

Sleep Hollow Rd./Grindstone Hill Rd.

-Megan McCarthy stated that when you're pulling out of Sandy Hollow Rd., you can't see to the left up Pendleton Hill Rd. It is also a problem when you're pulling out of Grindstone Hill Rd. at Pendleton Hill Rd.

-Don Hill stated that both of these roads intersect with a state road. A sign and a mirror were suggested. Don Hill will look into it with the state.
