#### Notification of Planned Construction Work on Chester Maine Road

The Highway Department is planning a construction project that may or may not impact your commute on Chester Maine Road. The Highway Department will be replacing the old drainage pipe that crosses Chester Maine at house #30. The road is planned to be closed 4/9/2024 through 4/11/2024. Traffic will be able to go through after 4:00 p.m. on 4/11/2024. If a rain delay happens the project will be moved to a different date to be determined. This project is due to safety or reconstruction concerns. If you wish to contact us with regards to the construction project and how it may or may not impact your commute please contact Highway Foreman Don Hill @ 860-535-0924 or via email [highway@northstoningtonct.gov](mailto:highway@northstoningtonct.gov).
