

RFP Generator Tie In

The Town of North Stonington is actively seeking bids to connect a Kohler 150 three phase generator to the current system at the highway department. This is a re-bid for the initial RFP that closed on August 12, 2019.

Bid to include pricing for all electrical upgrades, switches, wiring and conduits to connect new generator to existing generator wiring system. Current generator is manual switch over, new generator will be automatic switch over.

Any bidder interested in a walkthrough should contact Don Hill, Highway Foreman, at 860-535-0924. The generator will be located at 11 Wyassup Road, North Stonington.

A copy of current electrical license and insurance is required at the pre bid walk thru sign in.

As a condition to the award of any contract, the successful bidder(s) shall furnish certificates of insurance, including automobile, property and liability, and workers' compensation insurance minimally as follows:

Property and Liability	not less than \$1,000,000
Personal Injury and Liability	not less than \$1,000,000
Workers' Compensation	as required by law

A certificate of insurance naming the Town of North Stonington as an additional insured shall be required.

No special bid packages are required.

Sealed bid are to be certified mailed to:

North Stonington Town Hall

40 Main St, North Stonington, CT 06359

ATTN: Generator RFP - September 2019
