Please provide a scale drawing specifying dimensions, materials, illumination, letter sizes, colors, support systems, and location on land and buildings, with all relevant measurements, in the space provided below. Attach additional drawings if necessary.

A large, empty rectangular box with a black border, intended for a scale drawing of a sign. The box is currently blank.

Signs temporarily attached or temporarily painted on a door, or to the inside of a window announcing sales or special features may not exceed ten (10) percent of the area of said door, window, or wall. Temporary signs shall be removed immediately after the termination of such sale or special feature and shall be permitted for a period of not over thirty (30) days.
