NOTE:
The subdivision regulations of the town of North Stonington shall govern this plan. The plan shall be used only in connection with the town of North Stonington, in which the proposed subdivision is located. The plan shall be used only as a guide for the landowner and shall not be interpreted as an approval of the land use by the town of North Stonington. The landowner shall be responsible for the proper use of the land and for obtaining all necessary permits from the town of North Stonington. The plan shall be used only to the extent that it is consistent with the town of North Stonington's zoning and land use regulations.
