

The Ledge Light Health District (LLHD) Environmental Health Division is responsible for the following North Stonington services. Please refer any questions, concerns or requests for service to our Sanitarian staff (Ryan McCammon or Charlene Swink) in our New London office at 216 Broad St, Monday-Friday, 8am-4:30pm at 860-448-4882 ext. 301 or 395. Office hours in North Stonington will be Wednesday from 12:00-2:00pm. You can also check our website at www.llhd.org for any forms, applications, procedures or to pay fees online.

1. **Complaints**-Any complaints that may be considered detrimental to the health of the public (trash, debris, standing water, vermin, hoarding, mold, or rental dwelling complaints).
2. **Cosmetology**-Establishments proposing, conducting, changing ownership of or renovating facilities that conduct any or all of the following-the cutting, styling, dying, washing or chemical treatment of hair, manicures, brow waxing or “threading” and/or pedicures. LLHD licenses and inspects all cosmetology on an annual basis.
3. **Daycares**- Establishments proposing, conducting, changing ownership of or renovating facilities that provide supplementary care for children (Family Daycare, Group Daycare Center or Day Care Center). LLHD conducts physical plant inspections for the Office of Early Childhood (OEC) for initial and/or renewal of licenses with OEC.
4. **Foodservice Establishments**
 - a. Any proposed or existing facility (Restaurants, Cafes, Convenience Stores, Bars, Bakeries, Caterers, Farmers Markets, Temporary Events and Food Vendors), renovation or change in ownership of an existing facility. LLHD licenses and inspects all of the previously mentioned food service facilities/events.
 - b. Food safety training requests for any food service employee of a facility (Café and ServSafe Food Manger Courses).
 - c. Complaints relating to any food service establishment regulated by LLHD.
5. **Group Homes**- Establishments proposing, conducting, changing ownership of or renovating facilities that provide a Community Living arrangement.
6. **Lead**-Any complaints or reports of deteriorated paint, possible lead exposure or child elevated blood lead.
7. **Lodging**- Establishments proposing, conducting, changing ownership of or renovating facilities that provide the services of a hotel, motel, bed and breakfast or other similar overnight lodging facility. LLHD conducts annual inspection and registration.
8. **Mosquito Control**-LLHD conducts site visits, advise property owners on control of standing water and provides biological larvicide for standing water less than 400ft². **We do not treat marshes, wetlands, swamps or flowing water.**
9. **Parcel Infrastructure (septic and wells)**-Any parcel served, or to be served, by an onsite subsurface sewage disposal (septic)
 - a. Soils testing (test pits, percolation tests, hydraulic analysis, groundwater monitoring, ledge profiling).
See the “Application for Soils Testing” form.
 - b. Plan reviews (subdivision, commission reviews, State reviews, new building lots or septic repairs/alterations).
See the “Application for Septic Plan Review” form.
 - c. B100a reviews (lot line changes, additions, change in use, accessory structures-decks/out buildings/pools).
See the “B100a: Application” form.
 - d. Septic permit (new and repaired/altered septic systems).
See the “Application for Approval to Construct a Subsurface Sewage Disposal System” form.
 - e. Inspections/site visits for subsurface sewage disposal systems
 - f. Requests for parcel data regarding subsurface sewage disposal systems (as-builts, inspections records, soil testing, complaints, etc.)
 - g. Any parcel served, or to be served, by a well (s) for drinking, irrigation and/or geothermal use.
10. **Pools/Bathing Water**- Proposing, currently conducting, changing ownership or renovating facilities that provide swimming, wading, whirlpools or other such public bathing water facilities. LLHD licenses and inspects all public pools on an annual basis. LLHD conducts weekly bathing water samples of public and private beaches from Memorial Day through Labor Day.
11. **Miscellaneous**-The following issues are to be referred to the Ledge Light Health District
 - a. Loss of water, heat, power or sewage failure (back-up, discharge to the ground, waterway or storm drainage).
 - b. Requests for any emergency response after hours, please contact Groton Dispatch at 860-445-2000.
